Subject: Microsoft Settlement

Dear Justice Department,

I'm a long-time computer user and a concerned citizen writing to express my concern over the prolonged case against Microsoft. The comprehensive agreement that the federal government and the nine states reached with Microsoft is reasonable and fair to all parties involved. This settlement is good for consumers, it's good for the industry, and it's good for the American economy. Please add my voice to the choir of people asking to finally put an end to this matter in the interest of all of us!

Sincerely,

Maya Opavska (mayao@earthlink.net)
